Social skills and competences

Ease of communication – used to interact with multi disciplinary teams. Taking the CAP allowed me to correct myself with the aid of communication experts.

Organisational skills and competences

Pressure handling – throughout my professional experience in suggesting, implementing and aiding colleagues in a corporate context where deadlines and personal expectations are common I had to respond swiftly and with practical results.

Technical skills and competences

– PHP, Javascript, JAVA, Python, Flex, XHTML and CSS (3 years worth of professional experience in the development of commercially critical products for different companies. Technically supervised three internships from ISEP students both with positive closure.);

– Relational database management systems (three year experience developing commercial applications around the relational paradigm. Used to MySQL but also knowledgeable in PostgreSQL and Oracle.);

– Document database management systems (Personal interest. Exposure to couchdb)

– Business Intelligence tools and methodologies (professional experience using BIRT (Reporting), Talend Open Studio (ETL) and Pentaho Data Integration (ETL));

– UNIX and Windows operating systems (3 years professional exposure to administration in both systems);

Artistic skills and competences

Piano player

Driving licence

Portuguese category B - Drivers licence number AV-343767 3
